PROFILE SUMMARY

I'm a dedicated Web Developer with experience at Infiniti Dev since July 2024, specializing in responsive, user-friendly websites using HTML, CSS, JavaScript, Bootstrap, and WordPress. I'm also skilled in Microsoft Office, MS Excel, and Canva. With a background in Computer Science, I'm eager to keep learning and make a positive impact through effective web development.

WORK EXPERIENCE

- Frontend Web Developer at Infiniti Dev** PRESENT
 - At Infiniti Dev in Farooqabad, I worked as a Frontend Web Developer, building responsive websites using HTML, CSS, JavaScript, and Bootstrap. I focused on creating user-friendly designs that improved client satisfaction and engagement. I also helped streamline our development process by implementing effective frontend solutions with the team.
- Learning WordPress Development**
 - I'm currently expanding my skills in WordPress, working on projects at Infiniti Dev and taking courses through DigiSkills.com. This experience is helping me grow my knowledge in web design and customization.
- Customer Care Representative** Duration: 1 months
Jobly.pk
 - At Jobly.pk and Sky Beam Solutions I managed incoming calls and resolved customer queries, providing excellent service that improved my English communication skills.
- Customer Care Representative** Duration: 1 months
Sky Beam Solutions
 - While at Sky Beam Solutions, I focused on delivering exceptional service, enhancing customer satisfaction, and further developing my English communication abilities.
